

POCATELLIAN

The image is a complex abstract composition. It features a dark, textured background with several overlapping geometric shapes. A large, light-colored, irregular shape dominates the center. A red, elongated, arrow-like shape points from a red circle at the bottom left towards the top right. Inside this red shape, the word "POCATELLIAN" is written in a stylized, red, blocky font. In the bottom right corner, a small, dark, rectangular shape contains the year "1957" in a white, bold, sans-serif font. The overall aesthetic is mid-century modern or graphic design.

Foreword

This year, 1957, Pocatello High School has earned the title of champions. From the top of our championship crown, we can view these winners. What things make up a school of champions. What sort of things do champions do and what activities do they enjoy? Let's look down on Poky High and view the classes, the organizations, the faculty of these students. Let's look at the activities of these students, these students who are champions.

JOHN EVANS
Coach of Champions

No school of champions would be complete without its athletic victories. Pocatello High School, this year, has won Big Six Championship titles in both football and basketball, has captured the Fifth District basketball championship, and has marched on to the Idaho State Basketball Championship undefeated throughout the season. None of these things could have come about without the aid of one man, a champion in his own right—our head coach, Johnny Evans, who, with the help of his capable assistants, Wally Kelly and Byron Toone, spurred Poky High's able athletes on to this undefeated season and inspired them to play their best under all conditions. Under his watchful eye our boys made athletic history and blossomed into true champions. To Johnny Evans, we of the Pocatellian staff and student body of Pocatello High School dedicate our book the 1957 Pocatellian.

BERNELL BARRETT

Student Body President

After a hard and victorious battle Bernell Barrett was elected to take over the duties of student body president. The tall, lanky president played on the varsity basketball team as a sophomore, as well as taking an active part in German Club. Bernell was elected senator from the Junior class last year. Part of his knowledge of school government affairs was attained at Boys' State, where he served as U. S. Senator.

Senate

One of the most important groups of the school government is the school senate. The group is composed of three senators elected from each class, the presidents of Girls' and Boys' Council, student body vice president, and the secretary of the student body. The major jobs of the senate are to write and revise laws, and to consider all house bills.

The House is the legislative body of the school. Each homeroom elects a student to represent them in the House. It serves to let the students have a voice in school matters. The House also directs P. T. S. A. membership drives. The Speaker is Larry Hill.

Concentrating on one of the many school problems is Larry Hill, speaker of the House.

The court is one of the main bodies of school government. It serves as an advisory group to the principal as well as determining the constitutionality of the laws passed by the Senate and House. Members of the court are appointed by the faculty on the basis of their scholarship and citizenship standing. This year the court has also been active in recommending changes in amendments to the school constitution.

SENIOR CLASS HISTORY

At the end of this year, our last at Pocatello High School, we of the senior class of 1957 look back fondly on our four years. Many memories crowd our minds, as we reflect. Way back when (our freshman year), we lived through the "painting" and glory of our first Red and Blue Day. Our class party was held in the Girls' Gym and many of us attended. We worked hard and played hard that first year. When we were sophomores, Red and Blue Day was no more; in its place came Homecoming and our illustrious class float which didn't even win a prize. Our "Dogpatch" party was quite the sight, with many odd-looking creatures, including schmoos, and lots of Kickapoo Joy Juice mixed by our "hicks from the sticks." We gained a little confidence in ourselves, but we still held back our talents, ambitions, and especially, our homework. During our junior year, we had a good float, complete with an Indian, and it won second prize. The theme this year was Poky Pow Wow. Our assembly was a Minstrel Show and it was received enthusiastically. To top off the year, we staged the best dance of all, the Junior Prom, with the unforgettable theme, "Carousel." Our senior year was eagerly anticipated as we ordered our class rings and partied at the Cove. Last fall we came back to the good old theme of Red

and Blue Day, and capped it by winning **first prize** with our spectacular 40-foot "Senior Dream." Long after this year we will remember and cherish the efforts of our football and basketball teams, both undefeated and both Big Six champions. Our grandchildren will hear about this feat for long years to come. "Night of January 16th," was the title of the suspense-packed senior play, which everyone, including the cast, enjoyed. Of course, the Senior Ball, biggest and best of all, was held in a facsimile of a tea-house, which may be the senior trademark for all time. Everyone had fun on Sneak Day, but many eyes were tearful as the last march down the aisle concluded our high school days.

Class officers during our years at Poky High were:

Pocatello High School soon noticed that this year our junior class, the class of 1958, was making history. We had chosen a theme to follow the whole school year. It wasn't the first time our class had done something different. From the first day we were struggling, wide-eyed, eager freshmen entered this great production called Pocatello High School, our destination seemed to be to make the most of the exciting experiences such a production offers. We started off with an amazing revolution—no talent show. Instead we had a bang-up satire of Jiberace in an asylum. By our sophomore year, we had a real role in this fascinating show. Our precedent was the sophomore assembly, which, after being widely publicized and discussed, never quite made the stage. And such a plot! We started our junior year with the confidence that comes with being upperclassmen and having to meet the competition of the hard-working junior class of 1957. Our first move was to elect our officers. The class then selected a theme "Broadway." Act I of our junior production was Red and Blue Day. Our float was from a leading Broadway play, "The Solid Gold Cadillac" and featured

Gayle Willecke, our junior princess, riding on the elaborate "gold Cadillac." Our happiness soared when we were awarded second prize. The school realized we had a good idea here and anticipated our next act. And so it came—Act II. "Auditions" was our class party. There were members of the junior class "auditioning" for parts in a Broadway production. Our assembly, long anticipated and well received, was Act III. It depicted a Broadway show in rehearsal before a well-known producer. The acts were taken from successful hits, such as the oriental dance from "The King and I," and songs from "Annie, Get Your Gun," "South Pacific," and "Oklahoma." We received many compliments and even presented it before the PTSA. The finale of our production was Act IV, the Junior Prom, depicting "Opening Night." It featured a foyer with flood lights and a marquee, with a hit Broadway show inside on the dance floor. This last act of our show was a widely acclaimed success. Thus we look forward with eagerness and some sadness to our last year with the production of Pocatello High School and that grand finale march when the show forever closes.

Pocatellian

To the members of the staff, the Pocatellian is, by the fifteenth of January, the biggest headache they have ever encountered. Everyone wonders, "will we make the deadline?" Whether we do or not makes little difference, after a while. By the time everything is at the printer's, no one cares if they ever see it again. As far as they are concerned, it will be pages of familiar pictures and senseless words. But each year, when it is published, they are the most eager to see it. Because this year's work has been more play, the staff has loved every minute of it and wishes to thank their excellent editors and advisors.

Chieftain

The Chieftain is the official scandal sheet for Pocatello High School. Without the paper, no one would know what or when anything was going on in the school. One of the most difficult tasks in the school is to put out an interesting newspaper and the staff of the 1957 Chieftain has done an exceptional and excellent job.

Pep Band

The Pep Band of 1957 has been one of the most outstanding bands Pocastello High School has ever had. Throughout the year they have been a valuable part of all the games and have added greatly to the school spirit. The Pep Band director is Terry Rich and the advisor is Ralph Kennard.

STEVE GUMMERSALL

Everyone in Pocatello High School will remember Steve Gummingsall. Steve was the one who played the bass drum with such vehemence each time the pep band went into action. No one will ever forget how Steve practically broke the drum every time the war chant was played. Truly, Steve was one of the most outstanding members of the class of 1957 and everyone will agree that he personally provided more incentive to cheer at all the games and pep assemblies than any single person has ever done before. Thanks, "Gum."

GINGER CARROL
girl football player

Joan and Jeannie tell Mr. Carrol that he is being unfair to them.

The All School Play of 1956 was "Time Out for Ginger," a comedy of a fourteen year old girl football player. The troubles she gets her family into because of her desires helped make up one of the most amusing comedies P. H. S. has ever seen. It was directed by Carol Shepard.

The entire cast shows many feelings after the final performance.

Howard gives Agnes a touching gift—a fragment of the goalpost as a souvenir of the game.

The Night of January 16

This year's senior play was one of the most fascinating plays ever presented at the high school. It was an actual murder trial, with the unrehearsed jury picked at random from the audience. No one knew if Karen Andre would be innocent or guilty until the jury decided from the evidence presented at the trial. Miss Andre was convicted 3 times and acquitted once at the four performances given with a jury. The two outstanding roles were played by Jan Sainsbury as Mr. Flint, the district attorney, and Bob Johanson as Mr. Stevens, the defense council.

Carol Shepard, director, looked rather harassed after dress rehearsal.

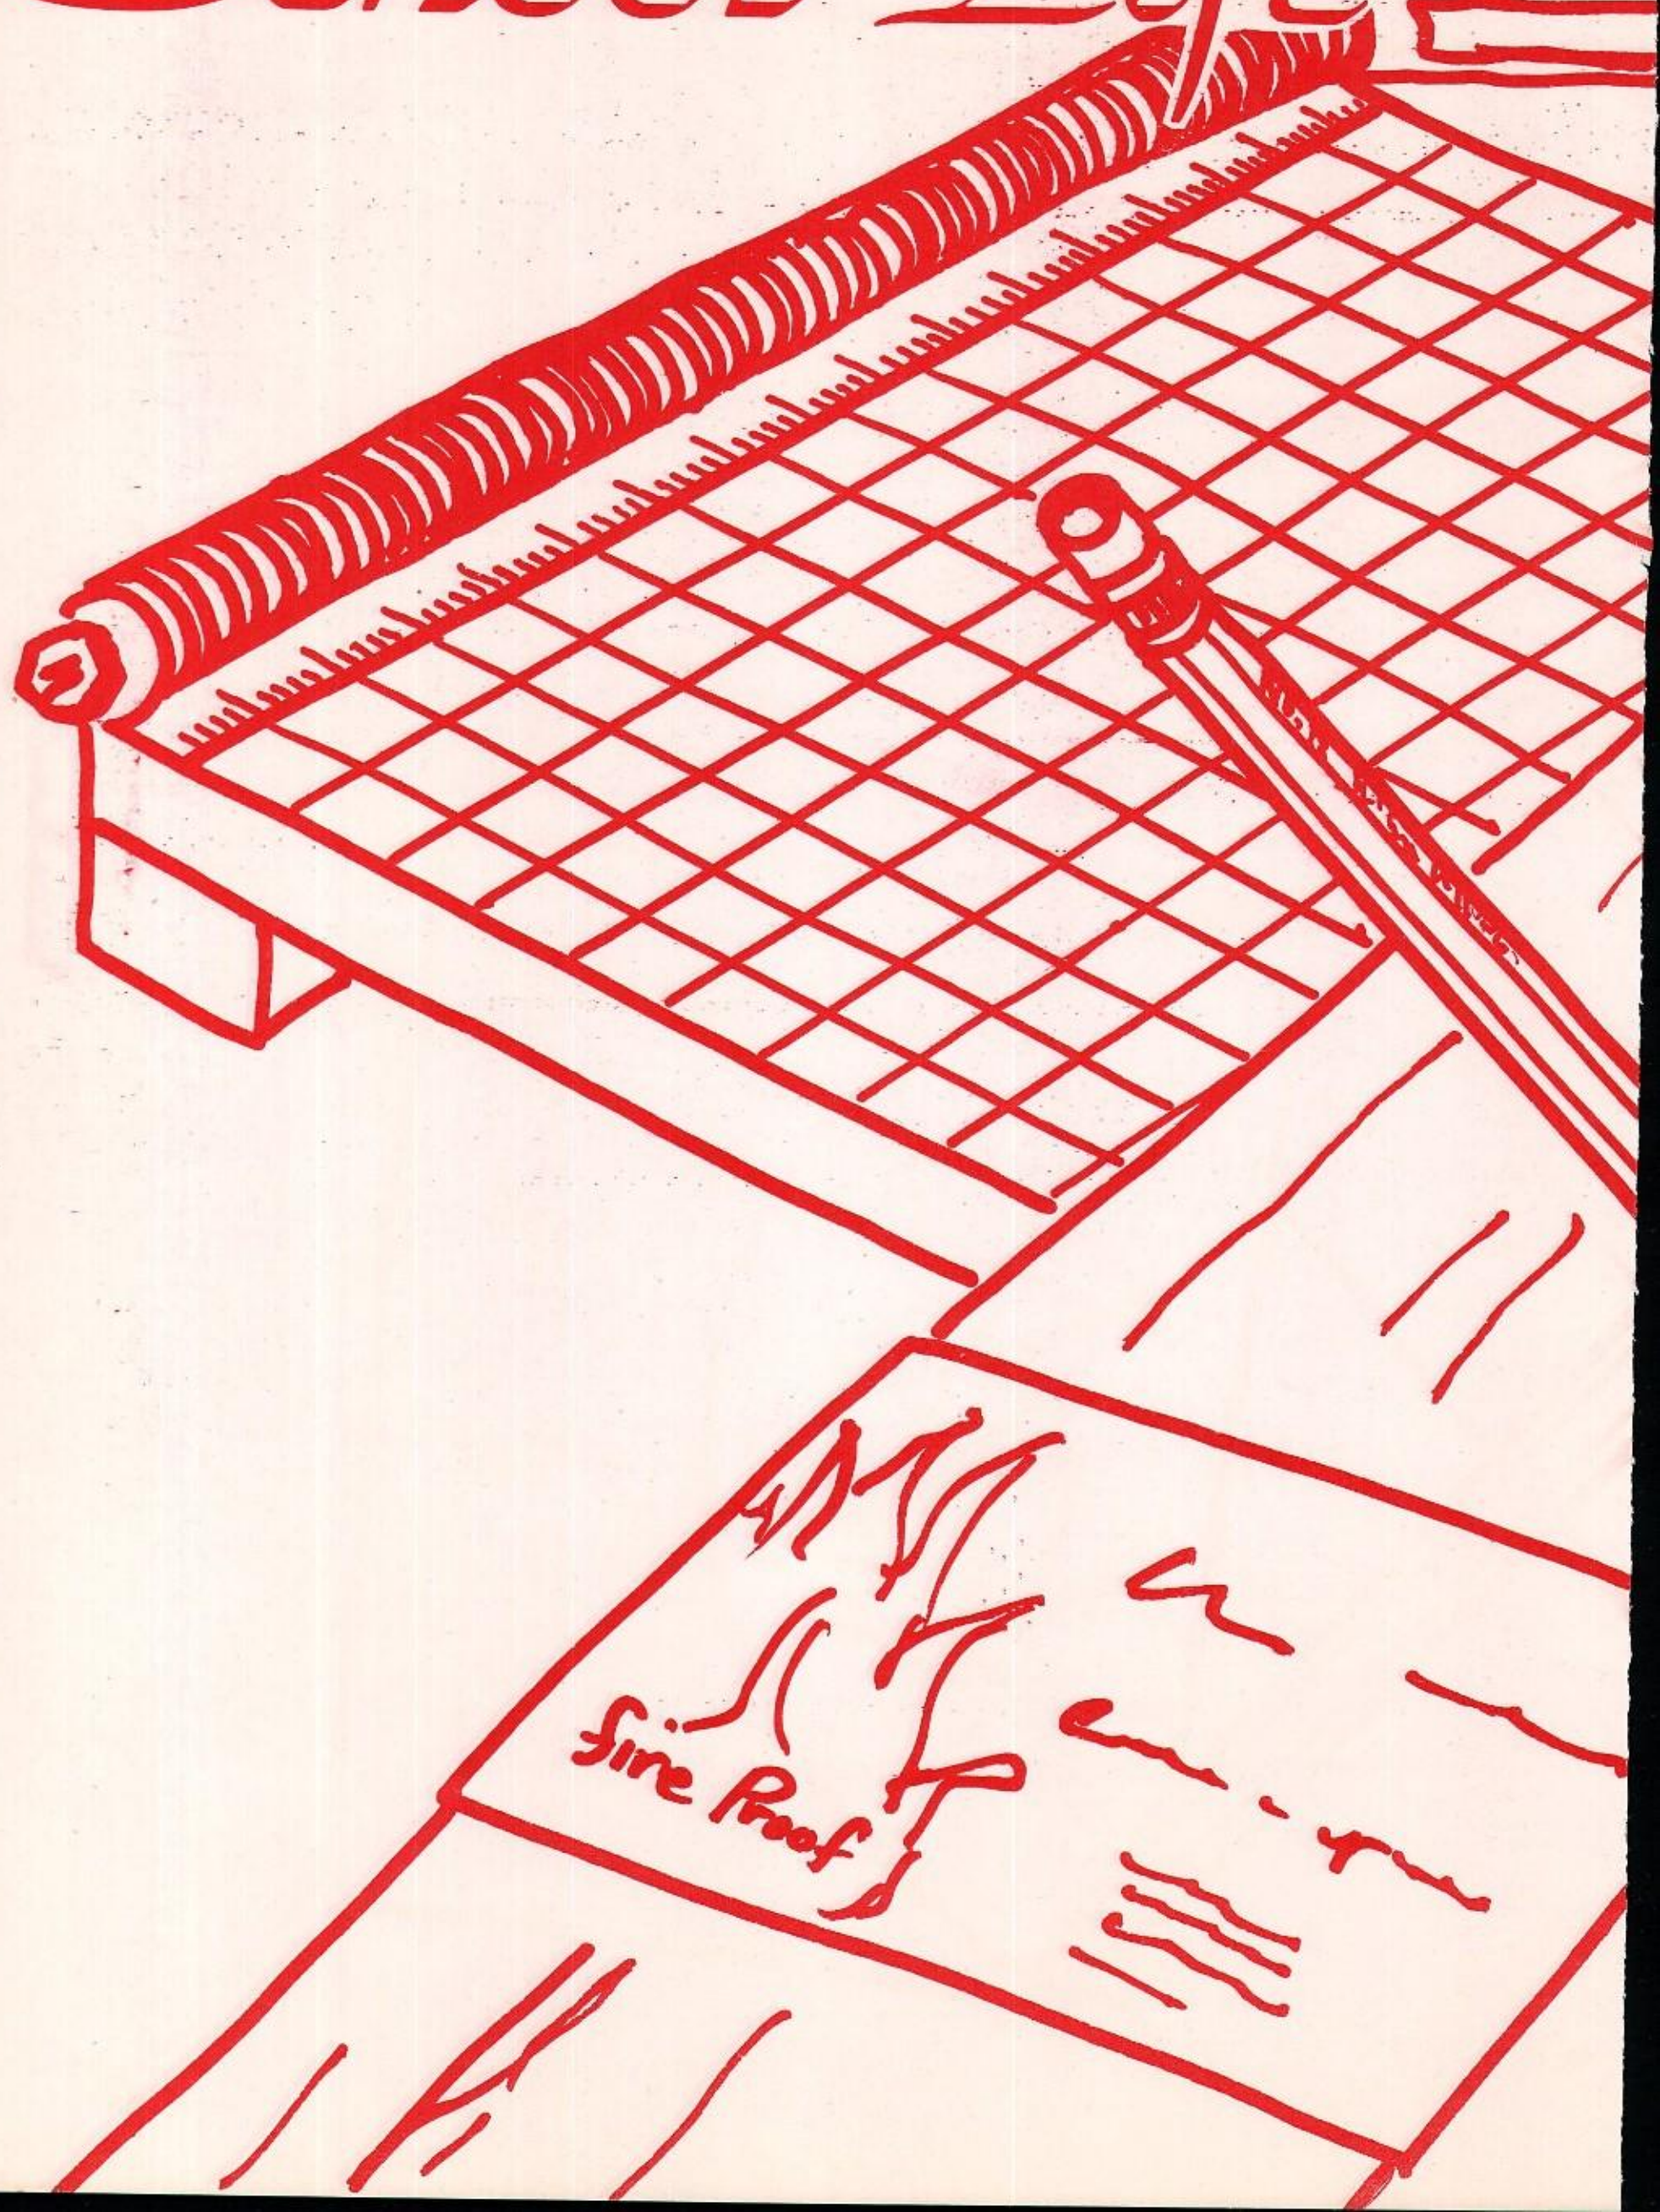

Court personnel included, left to right, Annette Rock, Karen Stedtfeld, Margrethe Pierce, and Jeanette Ashton. Standing, Steve Gummersall, Duane Huff, Jan Sainsbury, Bob Johanson, and Reed Parr.

A typical scene during the week of elections. Can you see any white space?

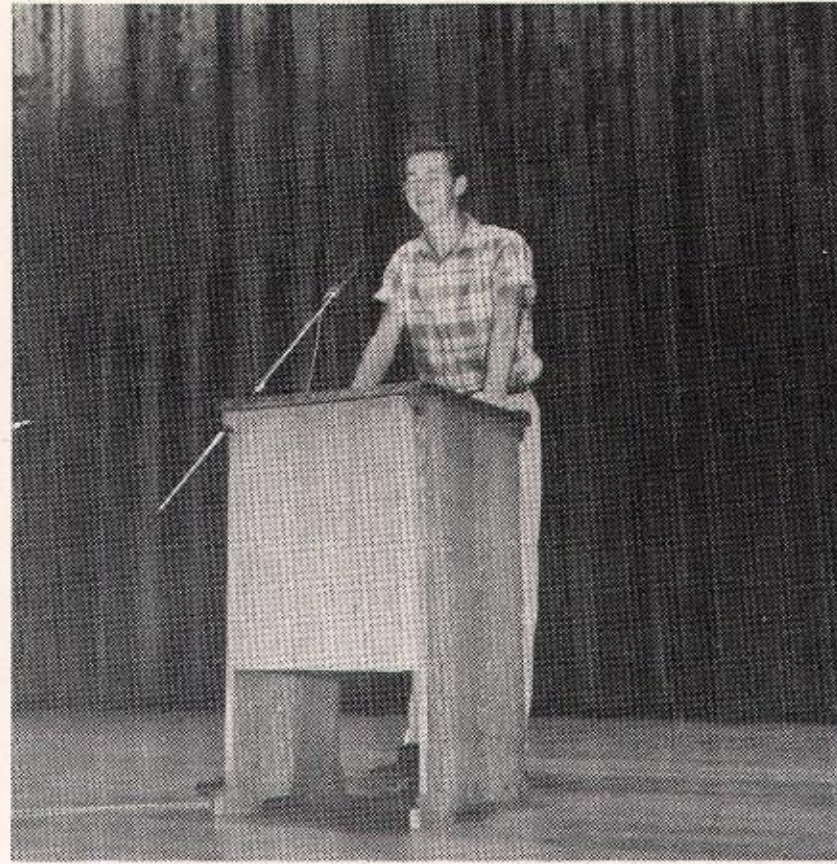

A candidate for student body vice president was Robert Steffens. He is shown here giving his campaign speech.

At the traditional inaugural assembly, Bernell Barrett, newly elected student-body president, thanked the students for electing him to his office.

Larry Hill thanks the students for electing him speaker of the house.

The elections proved to be very exciting. After seeing posters and slogans of every shape and variety on the walls, ceilings, and floors, it seemed quite dull to walk down the halls after the election was all over. The inaugural assembly was held after school resumed in the fall.

After the Election

Poky's principal, Mr. Marchell, gives the oath of office to studentbody vice president, Bob Steffens.

The Class of 1957 chose for their Junior Prom, Carole Coffin, attendant; Martha McNabb, Queen; and Linda Weiser, attendant.

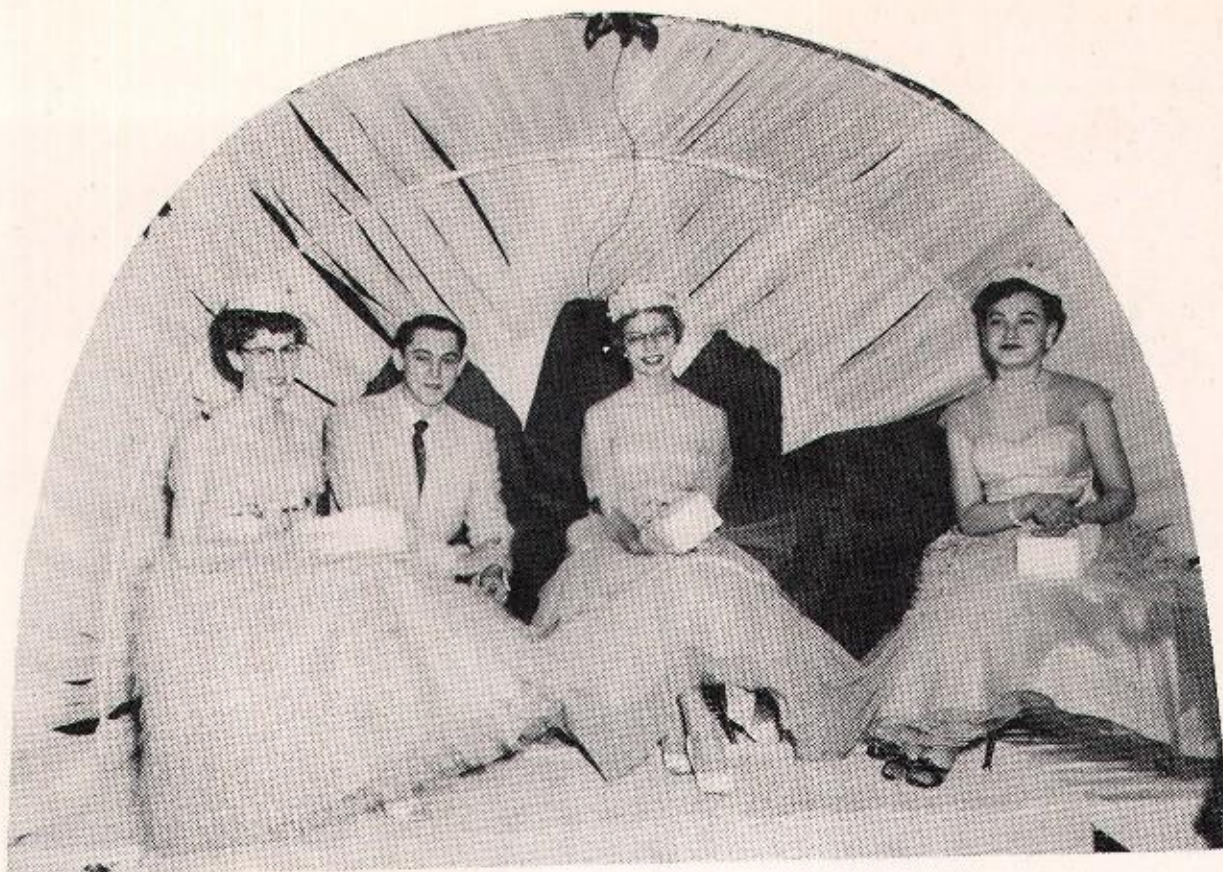

The first dance of the year was the Harvest Ball where Queen Johanna Derbidge reigned with attendants Carolyn Fishburn, Arlene Lish and Tamara Wells.

School Dances

James Anderson was chosen to reign King of the annual Girls' Council Co-Ed Dance.

The Band Ball was a huge success with Queen Ethel Rae Harrison reigning. Her attendants were Arline Cheney and Deanna Dennison. Mike Brink, Band prexy, is the "lucky chap" who crowned them.

Oration

Each year seniors are required to write an oration in U. S. History classes. This year, however, students had a choice; they could either write a term paper or an oration. The oration contest is sponsored by the American Legion. The subject this year was "The Constitution in Everyday Life." Karen Stedtfeld, the winner from the school, took first place in the district contest and went on to the state contest in Payette.

The toughest game of the year was the game with Boise in which Pocatello came out on top 6-0. The game won by the largest margin was the Jordan game which we won 47-7. BRYANT "BABE" HISKEY
Returning Letterman

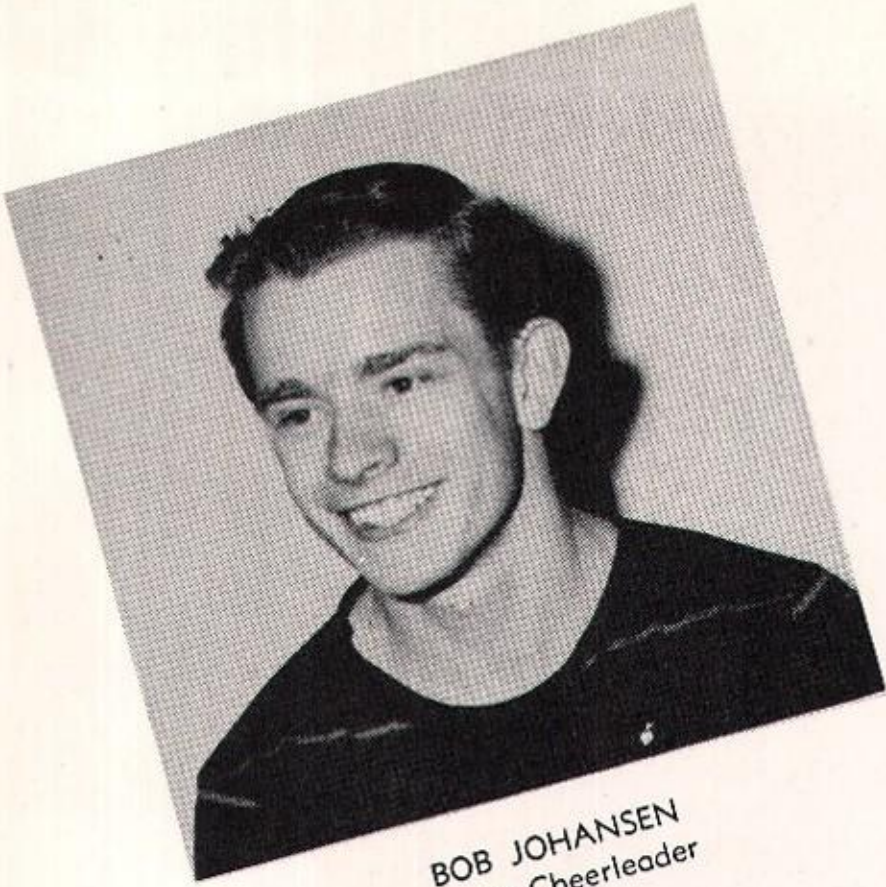

The golf team includes, row one, left to right—Mel Graves, Babe Hiskey, David Berrett, and Kenny Kuhn. Second row—Kent Vernon, Mike Bistline, David Miller, and Bob Mooney. Last row—Coach Wally Kelly.

Golf recently became a varsity letter sport. In order to qualify, golfers must compete in the state matches. Last year four boys lettered. They were: Babe Hiskey, David Berrett, Mel Graves, and Barry Burke. Babe won the Idaho State Amateur Championship last summer, and other golf team members participated in several tournaments around Idaho.

Our cheerleaders will always be remembered for performing the "Fight Yell" and leading the students in the "Loyalty." Their pep and enthusiasm spurred our student body to yell hard for the teams on the field and on the floor at games as well as stirring up school spirit at pep assemblies. They played a big part in building the championship of Pocatello High School.

Use of electricity in the home is twice what it was ten years ago . . . has increased four times in the last 20 years. What's more, it will again double in the ten years ahead!

Snake River Valley is a land of low-cost kilowatt-hours. Here we **LIVE BETTER ELECTRICALLY**, using more than twice as much electricity as the national average.
